Ochsner shall provide, without discrimination, care of Emergency Medical Conditions to individuals regardless of their eligibility for Financial Assistance or for government assistance.

V. Policy Implementation

- A. Eligibility for Financial Assistance
1. The granting of Financial Assistance shall be based on an individualized determination of financial need and will not take into account age, gender, race, social or immigration status, sexual orientation, or religious affiliation.

**In order to maintain version control, printed copies of Policies are for reference only.
Please refer to PolicyTech for the latest version.**

2. Patients are expected to cooperate with Ochsner's procedures for obtaining Financial Assistance or other forms of payment, and to contribute to the costs of their care based on their individual ability to pay.
 - a. Failure to comply with Ochsner's Financial Assistance screening process, including but not limited to, Medicaid coverage determinations, will exclude patients from Financial Assistance eligibility.
3. Financial Assistance applies to patient liability only, including but not limited to, deductibles, co-payments, and co-insurances and is available to residents of Louisiana and Mississippi. Eligibility for Financial Assistance is determined based on the patient's Family Income, assets, and family size.
4. Ochsner shall provide a 100% Financial Assistance discount for eligible services to patients whose Family Income is at 200% of the FPL Guidelines or less.
5. Patients whose Family Income exceeds 200% of the FPL may be eligible to receive discounted rates based on their specific circumstances, such as catastrophic illness or medical indigence, at the discretion of Ochsner. For exceptions, documentation may be required to qualify for Financial Assistance. Exceptions include, but are not limited to:
 - a. Expensive medications and hospital/physician bills;
 - b. Terminal illness; or
 - c. Multiple hospitalizations.
6. Failure to comply with Ochsner's Medicaid coverage and Financial Assistance screening process will exclude patients from Financial Assistance eligibility.
7. Modifications to previously awarded discounts shall be made if subsequent information indicates the information provided to Ochsner was inaccurate.
8. Patients who are determined eligible for Financial Assistance shall not be deferred for Medically Necessary care.

B. Services Available Under this Policy

1. Financial Assistance is available for all Professional Services and Technical Services, except for the following:
 - a. Pre-paid, fixed price services;
 - b. Transplant services;
 - c. Elective Services; and
 - d. Fees for Professional Services rendered by the providers as listed on Attachment A.
2. Ochsner reserves the discretion to offer Financial Assistance for excluded services on a case-by-case basis.

C. Methods by Which Patients May Apply for Financial Assistance

1. Financial Assistance requests can be made by contacting the Patient Account Customer Service department via telephone, email, fax, or written correspondence or

by visiting the Patient Financial Services Department located at Ochsner Health facilities.

2. Financial need will be determined by an individual assessment of financial need and may:
 - a. Include an application process (“Attachment B”), in which the patient or the patient’s guarantor, is required to cooperate and provide personal, financial, and other information and documentation relevant to making a determination of financial need;
 - i. The Financial Assistance application is required to provide additional information to allow for a more in-depth review of borderline approvals, hardship cases, and large balances.
 - b. Include the use of external publicly available data sources that provide information on a patient’s or a patient’s guarantor’s ability to pay (e.g., credit scoring);
 - c. Use a third-party tool when there is insufficient information provided by the patient, which may be used as the sole documentation source to make a Financial Assistance determination.
 - d. Include reasonable efforts by Ochsner to explore appropriate alternative sources of payment and coverage from public and private payment programs and to assist patients to apply for such programs; or
 - e. Include a review of the patient’s outstanding accounts receivable for prior services rendered and the patient’s payment history.
3. Approvals for financial assistance are considered valid for 90 days and future balances within 90 days will be auto adjusted. A patient has 240 days from the date of the first post-discharge bill for an episode of care to apply for Financial Assistance for that episode of care.

D. Amounts Charged to Patients

1. Patients who receive Financial Assistance may not be charged more for the same services generally billed to insured patients. The Financial Assistance discounts are separately calculated for each facility and represent the average payor yield by reviewing Medicare and commercial actual and Expected Payments (including the Patient Portion) over the prior twelve-month period as demonstrated more fully on Attachment C.
2. Uninsured patients who are not eligible for financial assistance still qualify for an uninsured discount that is calculated for each facility (attachment C) and represents the average payor yield by reviewing Medicare and commercial actual and expected payments (including the Patient Portion) over the prior twelve-month period.

E. Presumptive Financial Assistance Eligibility

1. In addition to the formal Financial Assistance application process, Uninsured patients may also be presumed to be eligible for Financial Assistance for charges on Technical and Professional Services based on evidence provided via use of a third-party

screening tool, which may be utilized as the sole documentation source to make a Financial Assistance determination.

2. Technical and Professional Services will be reviewed separately under the presumptive process.
3. Medically Necessary charges not covered by Medicaid or indigent care programs may be presumed eligible for Financial Assistance.
4. Technical and Professional account balances with previously made payments may be considered for Financial Assistance if requested through Patient Financial Services or Patient Accounts Customer Service; however, they shall not be considered through the presumptive Financial Assistance process.
5. Approvals granted under presumptive Financial Assistance are valid for the encounter under review only and not valid for 90 days.

F. Billing and Collection Efforts

1. The Billing and Collections policy and translated copies can be obtained:
 - a. Online:<https://www.ochsner.org/patients-visitors/billing-and-financial-services/financial-assistance> or
 - b. upon written request at Ochsner Health System Patient Financial Services 1514 Jefferson Highway, New Orleans, LA 70121.
2. Ochsner will not impose against any patient extraordinary collection efforts such as wage garnishment, liens on primary residences or take other legal actions.
